Hello, I want to tell you about the game that I have recently played. It is called "Minecraft". In this game our character appears in another world and tries to survive, also, the main aim of the game is to find the portal to come back to our world. It can be difficult to survive because there are a lot of monsters such as zombies, skeletons, spiders and witches, but you can build a house if you want to stay safe. There is a dragon near the portal, so you need to fight it, to come back home. I love this game! I would recommend this game for everyone who has a lot of free time.
